## EXPERIENCE

### Associate Software Engineering Intern

#### Tekion Corp

📅 Jan 2023 – July 2023

📍 Bangalore

- Worked as a front-end developer on a reconciliation dashboard, which is a centralized tool or interface that provides an overview of the reconciliation process within an organization.
- Technologies - React.js , Redux , Javascript

### Front-end Developer

#### Green Lights Studios

📅 Jan 2022 – March 2022

📍 Remote

- Contributed to the design and development of projects for a company operating in the cryptocurrency industry.
- Technologies - React.js , Redux , Figma

## PROJECTS

### Project 1 : Reconciliation Dashboard

- A dashboard to display the reconciliation data of various dealers and download or send the report to respective people.
- Added Tables using React Table and added customized cell renderers with Progress Bars . Made use of table filters and Date Utils. Integrated various Apis.
- Impact - Built to automate the process of generating reconciliation report and data about each dealer.
- Tech Stack - Reactjs, Redux , SCSS, GitLab

### Project 2 : Admin Dashboard

- Made an engaging admin dashboard with seamless integration of React charts, progress bars, and MUI tables, enhanced by aesthetically pleasing themes to deliver a user-friendly and data-driven experience.
- Tech Stack - React.js, SCSS,Material UI, Recharts
- 🌐 ishita-dashboard-app.netlify.app/

### Project 3 : Swiggy Clone

- Swiggy clone built using React.js , Redux
- 🌐 swiggy-clone-ishita.netlify.app/

### Project 4 : Portfolio Website

- A personal Porfolio Website to showcase all my details and projects at one place.
- Tech Stack - Reactjs,CSS, Bootstrap
- 🌐 ishitaamod.netlify.app/

## ACHIEVEMENTS

### National Service Scheme (NSS)

Secretary at NSS DIT University

### AIESEC In India

Incoming Global Volunteer and Finance Manager

### ACM Student Chapter

Student Member at DIT University

ACM Student Chapter

## SKILLS

### Languages

Javascript

HTML

CSS

Java

C

### Libraries

Reactjs

Redux

Bootstrap

### Tools or Platforms

Postman

Git

Firebase

## CODING PLATFORMS

### Leetcode

solved over 250 questions

### Hackerrank

5 star in Java

## EDUCATION

### BTech- Computer Science

DIT University, Dehradun

📅 July 2019 – May 2023

8.7 SGP

### Senior Secondary(XII) Science

R.A.N Public School, Uttarakhand

📅 April 2018 – April 2019

89.8 percentage in BOARDS

### Secondary (X)

R.A.N Public School , Uttarakhand

📅 April 2016 – April 2017

10 CGPA
